

Fight Hunger 5K

Show Some Team Spirit!

Organizing a team to take part in the Fight Hunger 5K is a great way to extend the fun and the fundraising. Teams can be from a workplace, a school, a place of worship, or other organization.

How to get started...

- Pick a name for your team – make it descriptive, but fun!
- Go to <https://www.firstgiving.com/GardenShare/2017-fight-hunger-5k> and click on “register”
- Create your own personal First Giving account (or log in if you already have one)
- Choose “I want to create my own team”
- Input the team name you chose, the organization the team represents and customize as you would like with your story and photos. Be sure to include your team’s fundraising goal.
- Next you’ll be asked to customize your own personal fundraising page. Just like with the team page, you can add your own text or photos. Please consider making your own donation at this time – it shows everyone that you are committed!
- And now you can use the team page link to invite others to join your team.
- Of course, you can use your own personal page link to ask friends, families, coworkers, etc. to make a donation in support of your efforts!

Teams can be organized using the paper forms as well. Just get your group together, hand out the forms, and decide on a team name.

For 5K Day, can your team identify themselves with t-shirts or armbands or a banner, or some other creative means! For example, a team from a business might wear t-shirts from the business or a team from a church or the community might pick a team name like “Tying Up Hunger” and then all wear neckties.

On 5K Day, be sure each team member has listed the team name on their paper form (if they have one) and if they have any cash or checks, each team member should turn them in separately with their own form.

Plan a meeting time at the Remington Recreation Trail for your team.

You may even want to plan a celebration afterwards for your team – either that day or a week or two later!

Have fun, while doing some FUNdraising!

And, remember, there is a prize for the team that raises the most!
